Dear Henderson County Friend and Neighbor,

Since 1957 the Henderson County Rescue Squad has been dedicated to the service of Henderson County. Our goal is to serve you in any mission of mercy and to aid and assist in case of an accident or a disaster. Since our beginnings, we have provided Henderson County with a unique set of services that complement the county EMS and Fire Departments.

During 2015, the Henderson County Rescue Squad responded to over 2,790 calls for service. These calls for service included medical emergencies, water rescues, automobile accidents, medical monitoring at structure fires, missing person searches, and medical standbys for EMS and at community events such as football games, festivals and numerous races. For more information on our events and notable calls from the year please visit our website. We have 92 personnel who train and work hard every day to provide an outstanding service for you. We currently have 61 Emergency Medical Technicians and 39 Rescue Technicians. Our members put in many hours away from their families and homes to provide you with a well-trained department that is ready to serve you at a moment's notice.

Yes, we give our time, but the supplies and equipment needed to do our job are expensive. Henderson County has graciously allocated money this year to help cover part of our operating costs; however, help is still needed for additional equipment and capital improvements. **Please let that help include you.** Our capital needs for this year include replacement of personal protective equipment for specialty rescue operations, upgrades to radios for personnel and trucks as well as planning for other capital purchases such as replacement vehicles and specialty rescue equipment.

Enclosed is a return envelope ready for your response. One hundred percent of your tax-deductible donation will go to support our operations. We ask that you please consider a donation of \$35.00. If you are able to donate more, your generosity is greatly appreciated. If you would prefer, you can donate online through our website: **www.hendersoncountyrescue.org**, click on the donate link where you can give securely by credit card, through PayPal. Thank you for your continued support. If you have any questions feel free to contact us.

Sincerely,

Jimmy Brissie, Chief

PS: If \$35.00 is too much for you to give at this time, please consider giving what you can.
