Dear Henderson County Friend and Neighbor,

At any moment, day or night, there are members ready to respond who sacrifice and leave their families, jobs, and personal safety behind at a moment's notice. With 77 highly trained volunteers, backed by 14 full-time and 24 part-time staff, the Henderson County Rescue Squad carries forward this 69-year legacy of service, offering specialized expertise that enhances the work of our county's EMS and Fire Departments. In 2026, we continue to be a vital resource for our community.

To date this year, we responded to over 2,500 calls for service. Our services encompass medical emergencies, motor vehicle accidents, structure fires, lost person searches, mountain rescues, underwater search and recovery, and medical standbys at community events. To learn more about our work, please visit our website or Facebook page.

Our team includes 74 state-certified medical personnel, ranging from Emergency Medical Responders to EMT-Paramedics, and 57 state-certified Rescue Technicians. Each member dedicates 100–300 hours annually to rigorous training, with the average volunteer contributing 400–500 hours to missions this year.

While we give our time freely, the equipment and supplies we rely on come at a significant cost. Henderson County has generously allocated funds to cover part of our operating expenses, but we need your support to enhance our capabilities. This year, we aim to strengthen our Under Water Search and Recovery efforts through specialized training and equipment, while continuing to advance our expertise in other various search and rescue specialties. Additionally, we seek to maintain our Injury Relief Fund to support members facing unforeseen hardships, overseen by a dedicated board.

Enclosed is a return envelope ready for your response. One hundred percent of your tax-deductible donation will go to support our operations. We ask that you please consider a donation of $35.00. If you are able to donate more, your generosity is greatly appreciated. If you would prefer, you can donate online through our website: **www.hendersoncountyrescue.org**, click on the donate link where you can give securely by credit card through PayPal. Thank you for your continued support. If you have any questions, feel free to contact us.

Sincerely,

Tim McFalls, Chief

PS: If $35.00 is too much for you to give at this time, please consider giving what you can.
